

## Writer's Surgery

Take your writing project to the next level quickly. Clear, concrete suggestions for your project. I am an experienced industry professional; I can provide you with honest and supportive feedback on a sample of your work. Engaging in one-to-one feedback can be a hugely valuable exercise. You will gain personalised and professional advice on your manuscript, let's get you moving in the right direction.

**Picture books are my specialty.**

Get one-to-one feedback via Zoom. Face to face, remotely, from anywhere in the world. You can use your surgery to...

- Brainstorm a new idea
- Troubleshoot a specific issue
- Get a perspective on one aspect of narrative craft
